Civil Engineering department, CSPIT, CHARUSAT

The foremost aim of Poster Making Competition is that students have summaries the project into a concise and aesthetically present their information in front of judges. Students have been informed about this event allowing them to register prior and the registered students have enthusiastically taken part in the event and made the event successful. The final judgement was made by Dr. Upesh Patel and Dr. Vijay Panchal. The rubrics of the judgement were Relevance to the theme, Originality, Creativity and the message conveyed by the poster. With this aim, VLSI club of EC Department & CREATIVITY club of Civil Department has organized Digital Poster making Competition on the topic “VLSI in today's Era”.
