2. About The Event

It's time to "**Bring Out the DEBATER in Students**". Smt. Kundanben Dinsha Patel Department of Information Technology has organized an **Online Debate Competition** for the students of 3rd, 5th, and 7th semester. Students are provided a controversial topic. Following research, they are assigned a position to debate with other students. Follow up discussion of the debate can critically analyze the performance as well.

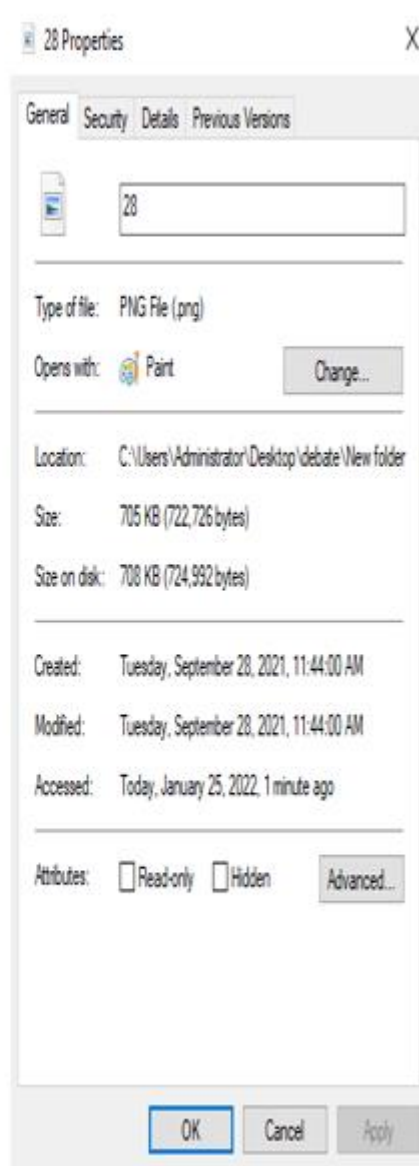

Objectives

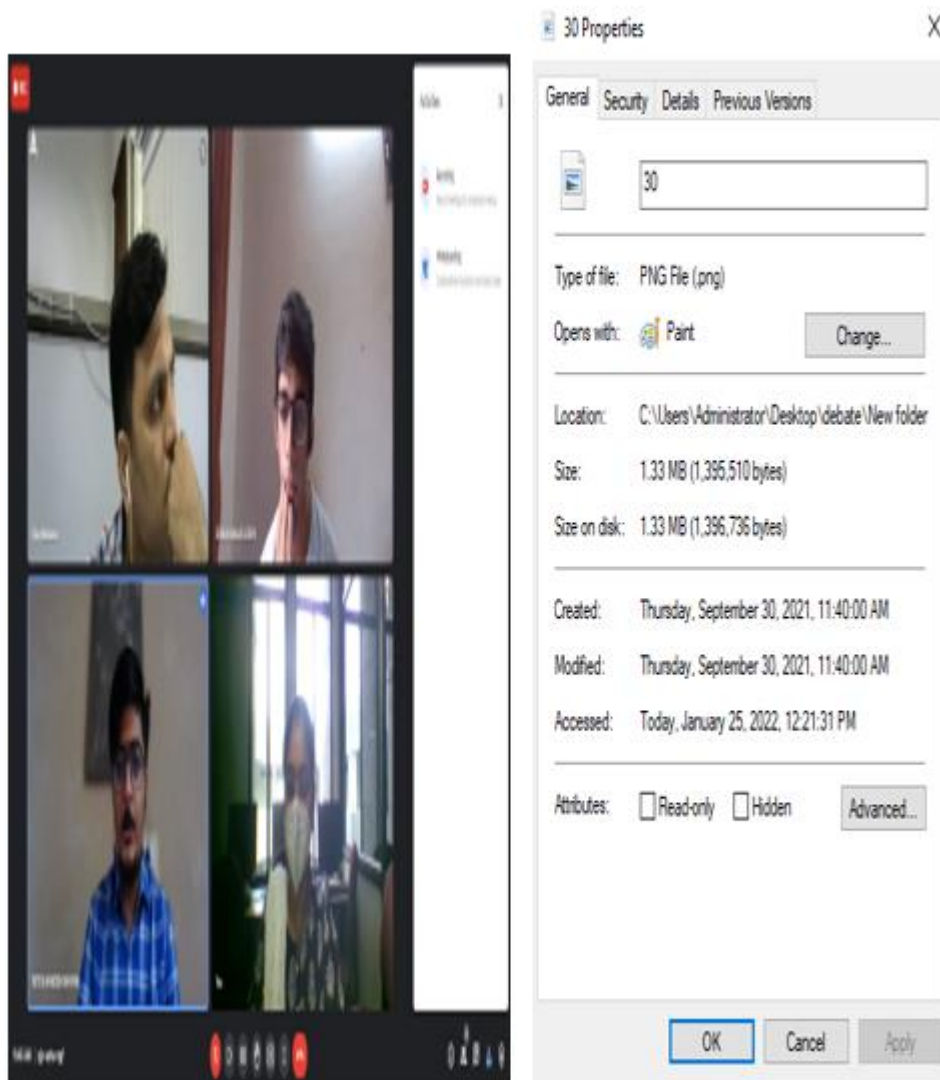

The primary goal of a debate is for students to generate effective critical thinking into primary issues in the given topic.

Through active participation in the debate activity, students will...

- compare and discriminate between ideas x and y,
- verify the value of evidence for concept x or y,
- resolve controversies,
- recognize strengths and weaknesses of arguments,
