Event Name: Fundamentals of Cyber Security

Event Overview:

A special expert session was organized in collaboration with Infopercept, a global cybersecurity company, to offer deep insights into the Fundamentals of Cyber Security. The session was aimed at raising awareness and enhancing the understanding of key cybersecurity concepts among participants, including students, IT professionals, and security enthusiasts.

Date & Venue:

The event took place on [21-sep-2024]

Mode: Online

Speaker: Naman Suthar

Topic: Fundamentals of Cyber Security

Time: 11:30 to 1:00

Event Objectives:

To Enhance Awareness of Cyber Security Principles:

Provide participants with a comprehensive understanding of key cybersecurity concepts, including the importance of confidentiality, integrity, and availability in protecting digital assets.

To Introduce Common Cyber Threats and Countermeasures:

Educate attendees on prevalent cyber threats such as malware, phishing, and social engineering, while exploring practical defense mechanisms and best practices for safeguarding information.

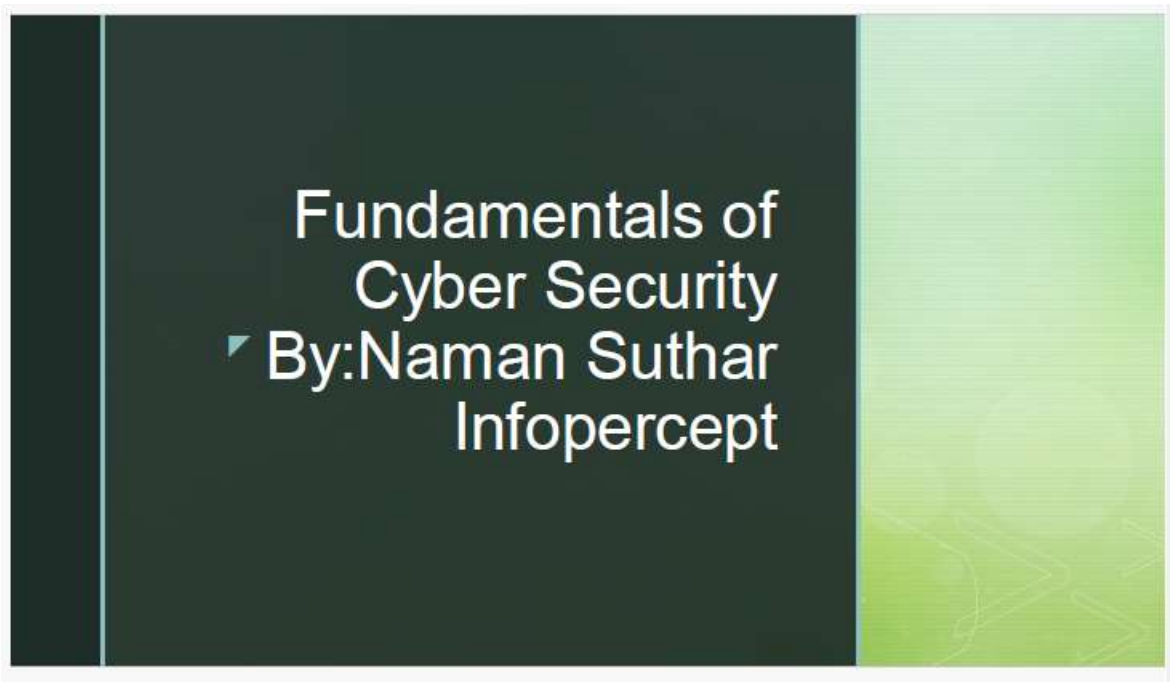

To Empower Participants with Practical Skills:

Equip attendees with hands-on knowledge and tools to identify and mitigate cybersecurity risks through demonstrations of protective strategies such as encryption, firewalls, and intrusion detection systems.

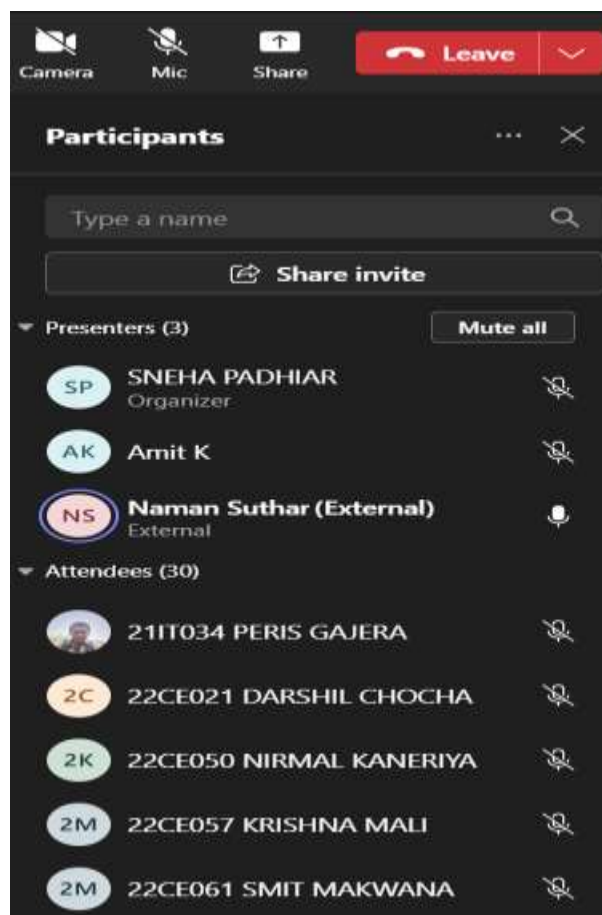

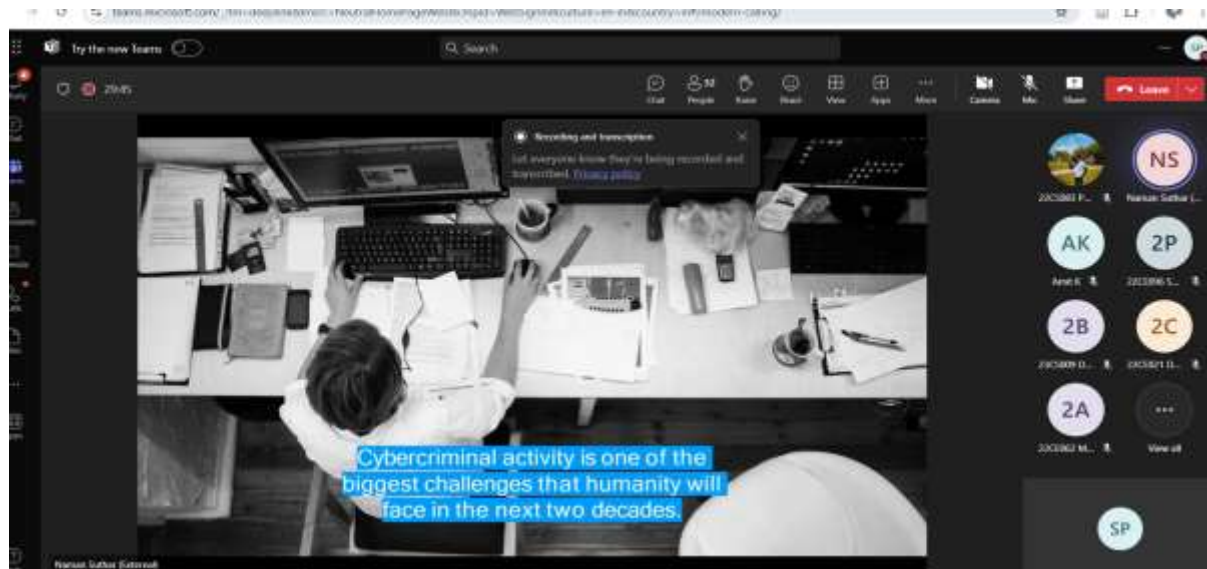

To Foster Industry Collaboration and Knowledge Sharing:

Facilitate an open platform for interaction between participants and cybersecurity professionals from Infopercept, promoting knowledge exchange on real-world applications and challenges in the cybersecurity field.
