

## Faculty of Technology and Engineering

### Department of Computer Science and Engineering

---

Date: 18/09/2024

**Event Application No in E-governance:** 2024-25/00284

**Event Name:** Session on “GITHUB and GITHUB Foundation certification journey under GrowWithGit” Club”

**Detail about the event:**

A session on GitHub and GitHub Foundation Certification Journey was conducted on 13th September 2024 for the students of the computer science department. The session aimed to introduce the students to the GitHub platform, its certification pathways, and the Microsoft Learn Student Ambassador (MLSA) program. The session was facilitated by Yatharth Chauhan, an esteemed alumnus of the university, who is the founder of Webxela, a GOLD Microsoft Learn Student Ambassador, and a 4X GitHub and LinkedIn certified professional. Yatharth’s extensive experience in these platforms provided valuable insights to the students on how to leverage GitHub certifications for their career growth and development.

The primary objective of the session was to familiarize students with:

- The GitHub platform and its potential for collaborative software development.
- The GitHub Foundation Certification process, outlining the steps students should take to earn certifications that are globally recognized.
- The Microsoft Learn Student Ambassador Program, an exclusive program that offers students the opportunity to connect with industry professionals, learn new skills, and showcase their expertise.

**Schedule of Event:**

Session No.	Session Date	Time	Expert name	Title
1	13/09/2024	02:20 pm to 03:20 pm	Yatharth Chauhan, Founder Webxela	GITHUB and GITHUB Foundation certification journey

**Resource persons:** Yatharth Chauhan, Founder Webxela, Microsoft Learn Student Ambassador (MLSA)

**Topic:** Session on “GITHUB and GITHUB Foundation certification journey”

**The event's outcome:** This session provided students with a clearer understanding of the certification process, the benefits of professional certifications, and how to make the most out of opportunities provided by platforms like GitHub and Microsoft.

**Actionable insights of Event:**

Through this event

1. Rubrics will be followed for Session
