Darshan Pandya, Ph.D.

Assistant Professor, Operations Management and Data Sciences Area, School of Business Management, NMIMS University Mumbai | Ph.D. in Operations Management, Indian Institute of Management Raipur
Mumbai, Maharashtra, India

Summary

I teach courses on Operations Management, Supply Chain Management, and Business Analytics to MBA students. My research interests include the applications of Industry 4.0 technologies, such as AI and Big Data, to improve sustainability in MSMEs. I have published multiple articles in reputed journals and magazines, such as Journal of Business and Industrial Marketing, Service Business, and IndiaAI, and received a several certification relevant to analytics and AI. I am passionate about using my analytical skills and domain expertise to help businesses and society achieve their sustainability goals.
