Faculty of Technology and Engineering

Department of Computer Science and Engineering

Date: 07/10/2024

Event Application No in E-governance: 2024-25/00273

Event Name: Expert Talk entitled "BUILDING A SECURE FUTURE - A STRATEGIC CYBERSECURITY ROADMAP"

Detail about the event:

Chandubhai S. Patel Institute of Technology (CSPIT) CSE department hosted an expert talk on "BUILDING A SECURE FUTURE - A STRATEGIC CYBERSECURITY ROADMAP" on 11th September, 2022 at Class Room No. 313, EC Building was organized in collaboration with Cyber Security Club (Cyber Kavach) for the 1st-semester students. The event took place on **11th September 2024** from **2:15 PM to 4:15 PM** and was conducted in offline mode. The session was led by Mr. Prince Tadhani providing valuable insights into the core concepts of Cyber Security Roadmap. The workshop provided a structured roadmap, covering core aspects of cybersecurity, from understanding basic security concepts to advanced techniques for defending against cyberattacks. Key areas discussed included encryption, secure coding practices, vulnerability assessments, and threat modelling. Participants also learned about common cyber threats like phishing, malware, and ransomware, along with best practices to prevent them. With the rise of cyber threats and data breaches, understanding cybersecurity fundamentals is essential for protecting websites, applications, and networks

ABOUT THE EVENT:

Name of the speaker: Mr. Prince Tadhani (Cybersecurity Enthusiast)

Title of the event: "BUILDING A SECURE FUTURE - A STRATEGIC CYBERSECURITY ROADMAP "

Date: 11th September,2024

Time: 2:15 PM to 4:15 PM

Venue: Room No. 313, EC Building, CSPIT

Participants: 52

1. Mr. Prince Tadhani

Designation: **Cybersecurity Enthusiast and Student**
Institution: **CSE – CSPIT (CHARUSAT)**

Area of Industry:

The resource person for this workshop was senior student who is enthusiastic regarding Cybersecurity presented several notable Cybersecurity certifications and projects in his academic curriculum.

*Percentage values are rounded wherever required

How was your experience regarding the expert talk conducted on Cybersecurity?
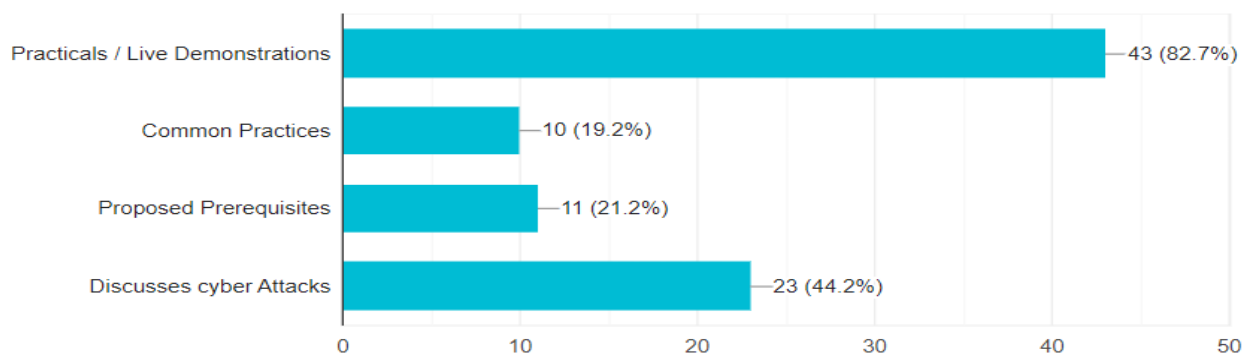

52 responses

- Outstanding
- Excellent
- Very Good
- Good

46.2%
9.6%
42.3%

Which topics covered in the workshop did you find most useful?

Copy

52 responses

| Topic	Count (Percentage)
Practicals / Live Demonstrations	43 (82.7%)
Common Practices	10 (19.2%)
Proposed Prerequisites	11 (21.2%)
Discusses cyber Attacks	23 (44.2%)

How confident do you feel about recognizing and avoiding cybersecurity threats after attending this workshop? *Linear scale* (1 = Not Confident, 5 = Very Confident)

51 responses

After attending this talk will you be willing to be interested in volunteering and be part of security club in future?

52 responses
